[L] We should be gentle with them. Their wrath is a symptom of their pain. We have the solution to their pain. We are like those people on the animal documentaries trying to rescue a tiger from the quicksand. We are trying to help them, but they don't know that. Our best chance of making them realize we want to help them is to be gentle.

For further thought:

- (m) What can you add to this list of things that show gentleness?
Not promoting yourself
Not thinking more highly of yourself than others
Not making sudden decisions unless you have to
Being careful of the feelings of others
Which of them describe you, and which of them are in your future plans?
